

SOUTHEND & DISTRICT NETBALL LEAGUE

NETTY NEWS

OCTOBER 2010

NEWSLETTERS

As last year I would like to send a newsletter to each member of the Southend League with an email address. This way, if there is a problem with the Secretary's email, at least one member of the team should be aware of what is happening! If you have already supplied your team addresses –thank you- if not I would appreciate having them asap.

ROTATION RALLY

The Rotation Rally took place last weekend. The weather could have been kinder but an enjoyable event in any case. The Winners on goal difference were Kinkaid with Hockley Kestrels as runners up. The top 4 places were taken by Div. 1 teams but Autodynamics were a creditable 5th. Well done to all.

Following the success of the 10.30am start we hope that others Rallies will now start at this time too. (To be confirmed)
